Presentation, Proposals (max 100 words)	<p>Cantina Fontechiara is a small family business located in Novara Hills, in Alto Piemonte area. Our wines are made from indigenous Nebbiolo and Vespolina grapes cultivated using traditional methods and vinified either as single varietals or as expertly crafted blends, where each grape gives its strength to create unique wines.</p> <p>We do not add any chemical or animal-derived ingredients to our wines and this, added to the strong selection of grapes and a totally natural clarification and filtration process, definitely makes the quality of our products.</p> <p>Our wines belong to the DOC Colline Novaresi and are Vegan Ok certified.</p>
