Presentation, Proposals (max 100 words)	<p>“Faraglioni di Capri” company started in the 80s, through love of two women for the sea, the island of Capri and the chocolate. From this complicity, comes chocolates in the shape of “Faraglioni”, famous Capri’s cliffs, that show the grace and the attention of female minds and hands.</p> <p>Proudly handcrafted, Peccati di Capri’s chocolates are created with passion in our laboratories in Naples-Italy for two generations. The extraordinary quality of the selected ingredients is reinforced by the direct and personal relationship with local producers that provide Campania citrus, hazelnuts Giffoni IGP and, of course, the most authentic traditional Neapolitan coffee. The chocolate is obtained from cocoa beans from South America and entirely processed in Italy. Moreover the packaging is fully recyclable and plastic free, irreversible choice towards sustainability, for an absolute respect for the sea and the nature.</p> <p>The company boasts some collaborations with the world of fashion, including chocolates shaped tie for the famous “E.Marinella”. During G7, held in Capri this year in April, Japanese Foreign Minister has very much appreciated our “Faraglioni” in the iconic single portion.</p>
